

Dear Monaghan Township Resident:

Monaghan Township recently went through a formal bidding process and Republic Services was the low bidder and awarded a 3-year contract beginning October 1, 2021. Pricing is firm for the entire contract period and there will be no additional charges over the contracted prices agreed upon by Republic Services for the first 3 years.

The service day will remain on Wednesday for Monaghan Township. **The first service with Republic Services will be on Wednesday, October 6.** Recycling and trash are to be placed curbside no later than 5 a.m. on your scheduled collection day.

Your current service level will be set up as you currently have it with the current contracted hauler, meaning if you have regular service we'll deliver you a recycling cart and trash cart, and if you have tag service we'll send you your annual allotment of tags and deliver a recycling cart. Please also reference the recycling section of this mailer, as items that can be recycled have changed in the country since the last contract.
